We are Dongwon F&B.

The First & Best culinary business contributing to the customer's health

Dongwon F&B was founded in November 2000 as a spinoff of Dongwon Industries' food division. Guided by our philosophy that healthy food is the best medicine, we are growing into the First and Best food culture company.

This catalog introduces our full line-up — from canned tuna and Yangban soups to dairy, frozen foods, kimchi and plant-based products.
