PRODUCT CATALOGUE 2026

HYUNDAI XTeer

Automotive Lubricants & Hydraulic Oil

Gasoline · Diesel · LPG · Heavy-duty engine oils,
and anti-wear hydraulic fluids for construction & industrial equipment.

SUPPLY & QUOTATION

Technology that protects engines.
Reliability that drives the field.

XTeer is the lubricant brand of HD Hyundai Oilbank, one of Korea's leading refiners. Built on high-quality base oils from its own production and rigorous quality control, XTeer delivers lubrication solutions for everything from passenger cars to heavy commercial vehicles and construction & industrial equipment.

Seunghwa supplies XTeer automotive engine oils and hydraulic oils to workshops, fleet operators, distributors and construction sites. From selecting the right grade for each vehicle or machine to regular bulk deliveries — tell us the products, quantities and schedule you need, and we will prepare a tailored quotation.

GENUINE
Genuine Products
Only authentic HD Hyundai Oilbank XTeer products.

BULK
Bulk & Regular Supply
From retail packs to 20L pails and 200L drums.

CONSULT
Product Consultation
Grade recommendations for your vehicles and equipment.

Selection Guide

Product Selection by Application

General recommendations only. Always follow the viscosity and specification requirements in the vehicle or equipment manufacturer's manual.

Vehicle / Application	Recommended Product	Viscosity	Key Specifications
Latest gasoline · hybrid (low viscosity)	***XTeer G90***	**0W-20 / 0W-30**	API SP · ILSAC GF-6
General gasoline cars · SUVs	***XTeer Ultra GSL***	**5W-30**	API SP · ILSAC GF-6
Routine workshop service (value)	***XTeer G70***	**5W-30**	API SP
DPF-equipped diesel cars (premium)	***XTeer D90***	**0W-30**	ACEA C2
Euro 5 / 6 diesel cars · RVs	***XTeer D70 C2/C3***	**5W-30**	ACEA C2 / C3
1-ton trucks · diesel vans	***XTeer D500***	**10W-30**	API CI-4
Taxis · rental cars · LPG vehicles	***XTeer LPG***	**10W-30**	LPG Dedicated
Mixed gasoline / diesel / LPG fleets	***XTeer TOP***	**5W-30**	ACEA A3/B4 · C3
Euro 6 heavy trucks · buses	***XTeer HD8000***	**10W-40**	API CK-4
Heavy trucks · construction engines	***XTeer HD Ultra***	**15W-40**	API CI-4 · ACEA E9
Medium / light trucks · agri machinery	***XTeer HD3000***	**10W-40**	API CF-4
CNG buses · refuse trucks	***XTeer CNG***	**10W-40**	CNG Dedicated
Excavators · forklifts · industrial hydraulics	***XTeer HYMAX AW***	**VG 32 / 46 / 68**	DIN 51524-2

Reading a Viscosity Grade

5W-30

First number (W = Winter):
— cold viscosity. The lower the number, the faster the oil flows at cold start.

Second number
— hot viscosity. The higher the number, the thicker the oil film under heat and heavy load.

Specification Glossary

API SP — latest gasoline engine category
ILSAC GF-6 — fuel-economy, low-viscosity gasoline standard
ACEA C2 / C3 — low-SAPS oils for DPF-equipped diesels
API CK-4 / CI-4 / CF-4 — heavy-duty diesel categories
ISO VG 32 / 46 / 68 — hydraulic oil viscosity grades

Gasoline

01 Gasoline Engine Oil

A 100% synthetic line-up for modern gasoline engines, including turbocharged direct-injection (T-GDI) units.

BEST

1L · 4L

XTeer G90

100% synthetic gasoline engine oil · Premium

0W-20 **0W-30**

API SP **ILSAC GF-6** **100% Synthetic**

Low-viscosity formula improves fuel economy and speeds lubrication at cold start
Suppresses low-speed pre-ignition (LSPI) to protect turbo GDI engines
Excellent oxidation stability for long-lasting performance

Applications

Hybrids, turbo GDI and other modern gasoline vehicles requiring low viscosity

1L · 4L

XTeer Ultra GSL

100% synthetic gasoline engine oil

5W-30

API SP **ILSAC GF-6** **100% Synthetic**

Meets the latest API SP category
Controls sludge and deposits inside the engine
Maintains a stable oil film at high temperatures

Applications Domestic and imported gasoline passenger cars / SUVs

4L

XTeer G70

Synthetic gasoline engine oil · Value

5W-30

API SP **Synthetic**

Synthetic performance at an economical price
Suited to everyday driving and routine oil changes
Strong detergency and dispersancy

Applications Everyday gasoline cars · routine workshop service

Diesel

02 Diesel Engine Oil

From low-SAPS oils that protect DPF and after-treatment systems to products for light commercial diesels.

6L

XTeer D90

PAO-based 100% synthetic diesel engine oil

0W-30

ACEA C2 **PAO Base** **100% Synthetic**

High-performance PAO base for outstanding low-temperature flow
Low-ash formula helps prevent DPF clogging
Holds viscosity over extended drain intervals

Applications Latest DPF-equipped diesel cars and SUVs

1L · 6L

XTeer D70 C2/C3

100% synthetic diesel engine oil (formerly Ultra RV)

5W-30

ACEA C2 / C3 **100% Synthetic** **DPF Compatible**

Mid-SAPS formulation protects after-treatment systems
C3 specification also suitable for gasoline engines
Excellent soot dispersancy

Applications Euro 5 / 6 diesel passenger cars, RVs and SUVs

6L

XTeer D500

Diesel engine oil · Light commercial

10W-30

API CI-4

Suited to light-truck and van diesel engines
Protects against wear under heavy loads
Economical choice for routine service

Applications 1-ton trucks, vans and diesels without DPF

LPG

03 LPG Engine Oil

Formulated to control valve and piston deposits in LPG engines that run at high combustion temperatures. Ideal for taxis, rental and corporate fleets.

LPG DEDICATED

4L · 200L

XTeer LPG

Engine oil dedicated to LPG vehicles

10W-30

LPG Dedicated **API SN Level**

- Formulated for the high-temperature combustion of LPG fuel
- Reduces carbon deposits on valves and piston rings
- Protects engines in long-distance, high-mileage operation

Applications Taxis, rental cars, LPG passenger and multi-purpose vehicles

1L · 4L

XTeer TOP

100% synthetic · Gasoline / Diesel / LPG

5W-30

API SN / CF **ACEA A3/B4, C3** **100% Synthetic**

- One oil for gasoline, diesel and LPG vehicles
- Ideal for corporate fleets and workshops servicing mixed vehicles
- Excellent anti-wear and cleanliness performance

Applications Mixed-fuel corporate fleets · shared workshop stock

Heavy Duty

04 Heavy-Duty Diesel Engine Oil

For high-load, long-haul engines in trucks, buses and construction machinery — extended drain intervals and excellent soot dispersancy.

6L · 20L · 200L

XTeer HD8000

Synthetic heavy-duty diesel engine oil

10W-40

API CK-4 **Synthetic**

- Latest CK-4 category, after-treatment compatible
- Extended drains · excellent shear stability

Applications Euro 6 trucks and buses

20L · 200L

XTeer HD Ultra

Synthetic heavy-duty diesel engine oil

15W-40

API CI-4/SL **ACEA E9** **MB 228.31** **Volvo VDS-4**

- Meets major commercial-vehicle OEM specifications
- Superior soot dispersancy under heavy load

Applications Heavy trucks, tractors, construction machinery

6L · 20L · 200L

XTeer HD3000

Heavy-duty diesel engine oil

10W-40

API CF-4

- For older diesel engines and general commercial vehicles
- Economical for high-volume fleets

Applications Medium / light trucks, agricultural machinery

20L · 200L

XTeer CNG

Engine oil for natural gas engines

10W-40

CNG Dedicated **Low Ash**

- Controls high-temperature oxidation and nitration in CNG engines
- Helps prevent valve recession

Applications CNG city buses, refuse trucks

Hydraulic

Anti-Wear Hydraulic Oil (AW)

05

Anti-wear hydraulic fluid for excavators, forklifts, presses, injection-moulding machines and other hydraulic equipment. Select the ISO VG grade recommended by the equipment manufacturer.

4L · 20L · 200L

XTeer HYMAX AW

Anti-wear hydraulic fluid

VG 32 | VG 46 | VG 68

ISO VG 32 / 46 / 68 | DIN 51524 Part 2 | Anti-Wear

- Zinc-based anti-wear additives protect pumps and valves
- Excellent oxidation stability and rust protection for long service life
- Superior anti-foam and water separation for stable operating pressure

Applications Excavators, forklifts, cranes, presses, injection-moulding machines and general hydraulic equipment

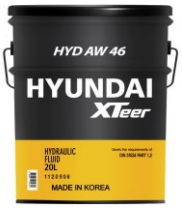

4L · 20L · 200L

AW 32

Low Temperature · Precision

Outdoor equipment in winter, low-pressure and precision hydraulic systems

4L · 20L · 200L

AW 46

General-Purpose Standard

Excavators, forklifts and general industrial hydraulic equipment

20L · 200L

AW 68

High Temperature · Heavy Load

Summer operation, high-pressure presses and large construction equipment

Product List
