keeping you comfortable.

2 soft touch cover

The soft absorbent layer and vinyl waterproof film provide a comfortable feel.

3

The surface is treated with a vinyl waterproof film to keep the comforter/bed clean.

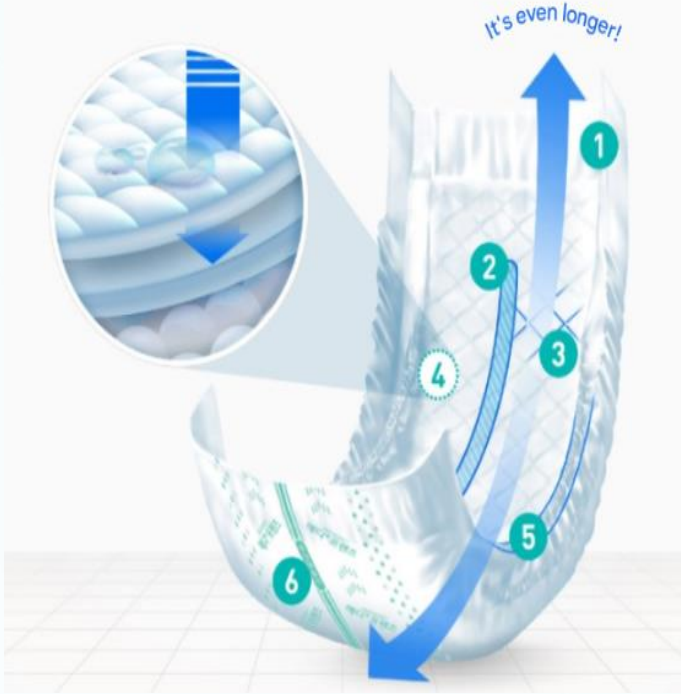

MediFriends Straight Pad 30 Sheets

Product Features

Use with confidence thanks to the extended product size!

Minimize skin stress with soft embossing

1 Product length UP 20mm

The longer product and absorbent material comfortably wrap around the buttocks and powerfully absorb large amounts of urine.

2 speed absorption hole

The 17cm absorption hole absorbs urine quickly and quickly.

3 diamond emboss pattern

The diamond-shaped embossing reduces the area in contact with the skin, minimizing skin stress.

4 Dual power absorption layer

It is designed with a structure that helps urine to be absorbed and diffused quickly, keeping the skin comfortable and free of moisture.

5 safety leak guard

It has a standing gather so you can wear it without worrying about leaks.

6 Center aligned positioning line

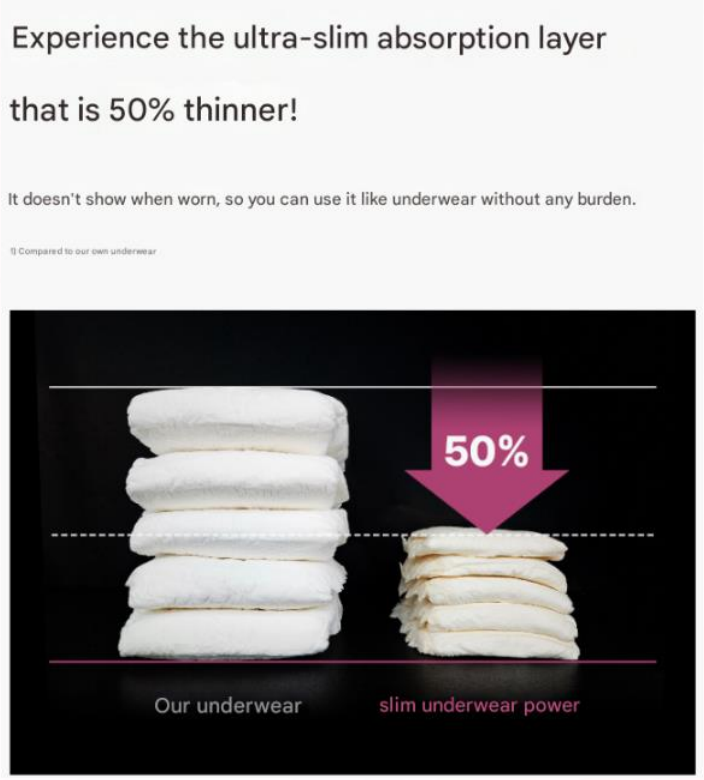

The center alignment line makes it easy to see where the product should be worn, and it is also convenient to use with an outer diaper.

MediFriends Slim Underwear Power Medium 9 pieces

SECTION 03

Bosom Real Cotton Organique Newborn Diapers

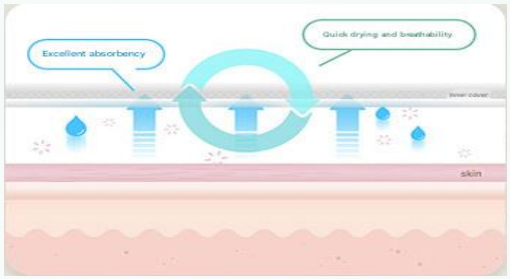

I hope that our baby, who was born into the world

for the first time, will be comfortable and not have even the slightest injury.

By applying an inner cover containing mulberry bark, which is the main raw material for Korean paper,

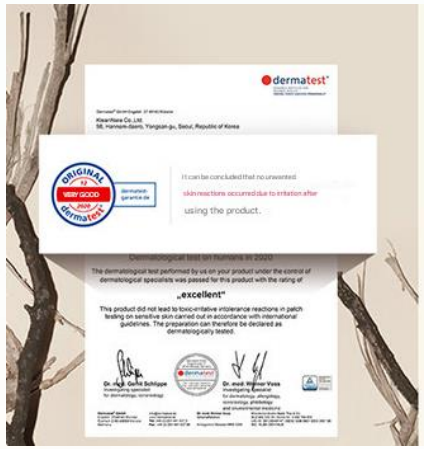

I thought again about the baby's delicate skin.

KEY POINT : 1
Absorbs large quantities quickly

KEY POINT : 2
Perfect absorption even with a lot of movement.
Safe absorption passage that catches the side gland

highest grade

VERY GOOD

Reliable German Dermatest

In a sensitive skin test conducted by Dermatest, a dermatological research institute in Germany, Obtained the highest grade SEHR GUT rating

KEY POINT : 3
Convenient urine notification line
